- 17(3)(a) Persons that are registered **both** in the public register for the **basic examination** and the **AML compliance officers register**, must submit to the Commission a statement of continued professional training on topics that fall within the relevant legislative framework which applies to them and which relates directly to the duties which they will undertake as part of their certification, of a duration of five (5) hours for persons registered in the public register for the basic examination, plus ten (10) hours for persons registered in the public register for AML compliance officers – being a **total of fifteen (15) hours for both renewals.**
- 17(3)(b) Persons that are registered **both** in the public register for the **advanced examination** and the **AML compliance officers register**, must submit to the Commission a statement of continued professional training on topics that fall within the relevant legislative framework which applies to them and which relates directly to the duties which they will undertake as part of their certification, of a duration of ten (10) hours for persons registered in the public register for the advanced examination plus ten (10) hours for persons registered in the public register for AML compliance officers – being a **total of twenty (20) hours for both renewals.**
